

2008 Radial Qualifier Names

Use this list to confirm that your club's entries for champs are properly qualified.						
If you find a skipper name on this list that is not on your champs entry, you may add that skipper to your Champs entry.						
If you have already entered a skipper whose name is not on this list:						
a) First review the posted scoring for the regatta in which you think that skipper qualified and then review the Qualifying Calculations Sheet. If the skipper's finish position is greater than the Qualifying Position, that skipper should be removed from your Champs entry.						
b) If you think that skipper should nevertheless be qualified to enter Champs, please promptly email a full description of the situation to JSA office (info@jsalis.org) so the question may be resolved.
