JSA of LIS CODE OF CONDUCT

Introduction

Each competitor in a Junior Sailing Association of Long Island Sound (JSA) event hereby pledges that he or she agrees to uphold the spirit of this JSA Code of Conduct (Code). This Code is not intended to establish a set of rules that will, by inclusion or exclusion, prescribe the appropriate behavior for competitors in every aspect of their participation in a JSA event. Rather, the Code offers general principles to guide the conduct of competitors in situations that have ethical implications.

The competitor commits to familiarization with this Code and understands that acceptance of its provisions is a condition of participation in a JSA event. Competitors who do not conform to this Code will be subject to the consequences of their actions, as specified below. The competitor has a

right to a hearing if charged with a violation of this Code.

Elements of the Code

Each competitor in a JSA event pledges they agree to abide by the Rules for JSA Events (JSA Rules) and Bylaws of JSA with regard to alleged incidences of misconduct, and abide by the US Sailing SafeSport Handbook. The event is defined as running from on-site registration to departure from the venue at the conclusion of the event.

Participation

- > Will abide by *The Racing Rules of Sailing (RRS)*, the US Sailing SafeSport Handbook, the JSA Rules and Bylaws, the Notice of Race and the Sailing Instructions for the JSA event.
- > Are eligible to compete under all JSA rules.

Fair Play and Conduct

>Will abide by *RRS* 2 and 69, and the US Sailing SafeSport Handbook.

Drugs & Alcohol

> Will abide by the US Sailing SafeSport Handbook.

> For junior competitors in any JSA event, no competitor shall use or possess, either on or off the water:

1. marijuana or any other substance if possession is illegal under state or federal law; or
2. any alcoholic beverages.

Sexual Abuse & Harassment

>Will abide by the US Sailing SafeSport Handbook.

Physical Abuse & Assault

>Will abide by the US Sailing SafeSport Handbook.

Bullying & Hazing

>Will abide by the US Sailing SafeSport Handbook.

Enforcement of the Code

> Compliance with this Code depends primarily upon understanding the Code and voluntary compliance, secondarily upon reinforcement by peers, and, when necessary, upon enforcement through disciplinary action as outlined by the *RRS*, the US Sailing SafeSport Handbook, and the JSA Regulations and Bylaws.

> If an incident is brought to the attention of the Organizing Authority, Host and/or the Protest Committee for the event alleging that a competitor has violated this Code, the Protest Committee shall protest the competitor and conduct a hearing that meets the requirements of Part 5, Section B of the *RRS*. The competitor has the right and option to voluntarily withdraw from the event rather than proceeding with a hearing. If the Protest Committee decides that the competitor has violated the Code and is not exonerated, it may

(a) remove some or all of the competitor's event privileges or benefits,

(b) disqualify the competitor's boat from the race or races sailed nearest in time to that of the incident, or

(c) disqualify the competitor's boat from all races in the event and exclude the competitor from the event or venue. Further action may be determined by the Protest Committee if warranted including considering calling a hearing under *RRS* 69.2(b).

Scoring

When a competitor withdraws from part of an event pursuant to the Code, the scores of all completed races shall stand for the purposes of determining the seeding of subsequent rounds or stages in the event. However, that competitor's boat/team will no longer be eligible to compete in the event, shall be removed from the final event scores, and each boat/team with a worse finishing place in the event shall be moved up one place. The same scoring applies if a boat is disqualified from the remaining races in an event.
