

JSA Skippers Qualified for 2016 Championship Regattas

All Boat Classes

This list is preliminary and subject to review and correction.
Qualifying events through August 8, 2016 are included.

Use this list to confirm that your club's proposed entries for Champs are properly qualified.

- If you find a skipper name on this list that is not on your champs entry, you may add that skipper when you make your champs entry.

- If you expect to register for Champs a skipper whose name is not on this list:

a) First review the posted scoring for the regatta in which you think that skipper qualified and then review the Qualifying Calculations Sheet. If the skipper's finish position is a larger number than the Qualifying Position, that skipper should instead be entered in the Alternate Regatta.

b) If you think that skipper should nevertheless be qualified to enter Champs, please promptly email a full description of the situation to JSA office (info@jsalis.org) so the question may be resolved.
