

**2018 Championship Regattas
Qualified Skipper Names
All Boat Classes thru Aug 7**

This list is preliminary and subject to review and correction.
Qualifying events through August 7 2018 are included.

Use this list to confirm that your club's proposed entries for Champs are properly qualified.

- If you find a skipper name on this list that is not on your champs entry, you may add that skipper when you make your champs entry.

- If you expect to register for Champs a skipper whose name is not on this list:

a) First review the posted scoring for the regatta in which you think that skipper qualified and then review the Qualifying Calculations Sheet. If the skipper's finish position is a larger number than the Qualifying Position, that skipper has not qualified for champs.

b) If you think that skipper should nevertheless be qualified to enter Champs, please promptly email a full description of the situation to JSA office (info@jsalis.org) so the question may be resolved.
