						<i>See notes on page 2</i>			
<b>Preliminary Data:</b> Sailors should consider race results, and these qualifying calculations, as preliminary until a reasonable time has elapsed for the race committee to be notified of possible scoring errors.									
<b>How to use these calculations:</b> If a sailor's own finish position in any qualifying regatta with final results is equal to or less than the Final Qualifying Position after Adjustment, then the sailor may qualify for JSA Championships, assuming they meet all eligibility criteria in the Rules for JSA events.									
<b>Optimist Regattas:</b> Sailors may sail in any event, but will qualify for Optimist championship only in regattas from their home club's designated area (A, B or C) .									
<b>Laser Standard, Pixel and Feva Regattas:</b> Sailors may qualify for Laser Standard, Pixel and Feva championships if they sail in one of the qualifying regattas.									
<b>If no Representative from a Member Program qualifies</b> for the JSA championship in a boat class, the Member Program may enter one representative who must have participated in at least one qualifying event for that specific championship. (JSA Rule 4.1.6 )									
<b>Alternate Regattas:</b> Any sailor who qualifies for a JSA championship event is not eligible to compete in JSA Alternate events in that boat class.									
<b>Calculation notes:</b>									
See full details in Rules for JSA Events, Section 4 (in Yearbook, or on JSA website at "Regattas > Regatta Management")									
a)	Total number of boats in division is adjusted to include only those that entered and registered, started in at least one race, and finished or were scored TLE in at least one race.								
b)	Adjusted number of boats is multiplied by qualifying percentage, then rounded to next whole number, to the competitor's advantage. If more than one boat ties for final qualifying position they all qualify.								
c)	Competitors who do not represent a JSA member club program (and if Optimists from the specified area [A, B or C]) are excluded to give the adjusted final qualifying position.								
c) 1	SIYC 7/9 had 2 non-JSA finishers excluded in Blue, and 3 excluded in Red								
c) 2	PYC 7/11 had 1 non-Area C finisher excluded in Red								
c) 3	LYC 7/17 had 1 non-JSA finisher excluded in C420								
c) 4	LYC 7/18 had 8 non-JSA Area B finishers excluded in White								
c) 5	AYC 7/27 had 2 non-JSA Area B finishers excluded in Red								
c) 6	STAM 7/30 had 2 non-Area C excluded in Red								
c) 7	SIYC 8/1 had 1 non-JSA finishers excluded in Laser and 4 excluded in Radial								
c) 8	CYC 8/2 had 1 non-Area A finisher excluded in White								
c) 9	CPYC 8/8 had 1 non-Area C finisher excluded in Red and also in Blue								
d)	Rule 4.1.5 When a qualifying regatta is scheduled but no races are completed, a skipper shall qualify for a JSA Championship Event if:								
	a) The competitor properly entered and registered for the regatta; and								
	b) The competitor was present at the regatta site or in the race area on the day of the event and was prepared to compete; and								
	c) The competitor sailed in the previous year's JSA Championship Event for the same class of boat and finished in the top 50% overall.								
	See the 2018 Opti Champs finishers (top 50% were #1-68 overall) at <a href="http://bit.ly/2SzTx4h">http://bit.ly/2SzTx4h</a>
