

JSA Skippers Qualified for 2019 Championship Regattas

Optimist Class by First Name

This list is preliminary and subject to review and correction.

All of the qualifying events for Optimist through August 8 2019 are included.

Use this list to confirm that your club's proposed entries for Champs are properly qualified:

- If you find a skipper name on this list that is not on your champs entry, you may add that skipper when you make your champs entry. We noticed in some of the regatta results that the crew's name appeared first for a few boats; if that occurred with your boat, email the JSA office (info@jsalis.org) so that boat's skipper may be confirmed.

- If you expect to register for Champs a skipper whose name is not on this list:

a) First review the posted scoring for the regatta in which you think that skipper qualified and then review the Qualifying Calculations Sheet. If the skipper's finish position is a larger number than the Qualifying Position, that skipper has not qualified for champs and that entry should be withdrawn.

b) If you think that skipper should nevertheless be qualified to enter Champs, please promptly email a full description of the situation to JSA office (info@jsalis.org) so the question may be resolved promptly.

Alternate methods to qualify are described at <https://jsalis.org/qualifying-jsa-champs> and include provision for representation from every JSA member club or program by at least one boat per class, and how to qualify if no races were completed at a scheduled regatta.
