

# Planning For Event Success Summer 2021!

JSA Event Workshop May 18

# Moving From Pandemic to Recovery

## ***The Opportunity For Summer 2021 – Getting Back To Normal!***

- Vaccine roll-out provides optimistic outlook for ‘return to regatta normalcy’
  - Update: All people 12+ now eligible to receive vaccine
- Revised CDC guidelines for fully vaccinated individuals
- Some uncertainty still exists – flexibility and advanced planning is key
  - Evolving state and local health guidelines
  - Awaiting updated summer camp guidelines
- Summer 2021 -- Likely a hybrid of Covid 2020 and the “old normal”

# Moving From Pandemic to Recovery

## What We Did in 2020:

- Most JSA clubs ran successful junior sailing programs
- Smaller regattas with mostly “on-water” meet-ups
  - Weekly informal neighborhood regattas (including some team racing!)
  - Some annual regattas attended by nearby clubs (LYC Race Day, Stamford Cannon Cup, Noroton Masked Madness)
- A handful of larger, traditional regattas with Covid adjustments (AYC Opti Regatta, LISOT Regatta, NY State Opti Champs, Opti ACCs at Larchmont)
  - Multiple launch sites to decrease density (nearby clubs and municipal launch areas)
  - Socially distanced rigging team pods on land
  - Zoom for skipper/instructor meetings, awards ceremony
  - Online notice boards and online/audio protest hearings
  - No communal meals and social gatherings
  - No housing

# What will Regattas Look Like in 2021?

## Topics for Discussion

- **Traditional Regattas - More like 2020 or 2019?**
  - **Club Guest Policies** - Do you anticipate more liberal club guest policies given changing health guidelines?
  - **Boat Launching Policies** - Will your club allow/limit the number of non-member regatta entrants that can launch at your club?
  - **Zoom Meetings** - Will your club use Zoom for routine regatta gatherings, i.e. skippers meeting, instructors meeting, protest hearings and award presentations?
  - **Food/Social Gatherings/Housing** - Another slimmed down year or more enduring downscale?
- **Informal neighborhood regattas - Here to Stay?**
