Qualifying Calculations 2021

Date	Club	Regatta	Class - fleet	Number of Boats Listed	Adjusted Number of Boats (a)	Qualifying Percentage	Number of JSA Skippers Qualifying (b)	Final Qualifying Position after Adjustment (c) <small>blue color is update from earlier</small>	Note
Preliminary Data: Sailors should consider race results, and these qualifying calculations, as preliminary until a reasonable time has elapsed for the race committee to be notified of possible scoring errors.									
See full details about qualifying on the JSA website: https://jsalis.org/qualifying-jsa-champs									
How to use these calculations: If a sailor's own finish position in any qualifying regatta with final results is equal to or less than the Final Qualifying Position after Adjustment, then the sailor may qualify for JSA Championships, assuming they meet all eligibility criteria in the Rules for JSA events.									
Optimist Regattas: Sailors may sail in any event, but will qualify for Optimist championship only in regattas from their junior sailing program's designated area (A, B or C) .									
Laser Standard, Laser 4.7, Feva and Skiff Regattas: Sailors may qualify for those boat class JSA championships if they sail in one of the qualifying regattas.									
If no Representative from a Member Program qualifies for the JSA championship in a boat class, the Member Program may enter one representative who must have participated in at least one qualifying event for that specific championship. (JSA Rule 4.1.6)									
Alternate Regattas: Any sailor who qualifies for a JSA championship event is not eligible to compete in JSA Alternate events in that boat class.									
Calculation notes:									
a)	Total number of boats in division is adjusted to include only those that entered and registered, started in at least one race, and finished or were scored TLE in at least one race.								
b)	Adjusted number of boats is multiplied by qualifying percentage, then rounded to next whole number, to the competitor's advantage. If more than one boat ties for final qualifying position they all qualify.								
c)	Competitors who do not represent a JSA member club program (and if Optimists from the specified area [A, B or C]) are excluded to give the adjusted final qualifying position.								
c) 1	SIYC 7/7 had 2 non-JSA finishers excluded in Blue, and 3 excluded in Red								
c) 2	PYC 7/10 had 1 non-Area C finisher excluded in Blue								
c) 3	RYC 7/11 had 4 non-Area B finishers excluded in Red, 3 in Blue, and 1 in White								
c) 4	LYC 7/14 had 12 non-Area B finishers excluded in Red, 13 in Blue, and 3 in White								
c) 5	AYC 7/24 had 2 non-JSA Area B finishers excluded in Red, and 2 in Blue.								
c) 6	CPYC 7/20 had 1 non-JSA finisher excluded in Radial								
c) 7	STAM 7/26 had 2 non-Area C finishers excluded in Blue, and 2 in White.								
c) 8	SIYC 7/29 had 6 non-JSA finishers excluded in 4.7 and 2 excluded in Radial
