<p>Preliminary Data: Sailors should consider race results, and these qualifying calculations, as preliminary until a reasonable time has elapsed for the race committee to be notified of possible scoring errors.</p>									
<p>See full details about qualifying on the JSA website: https://jsalis.org/qualifying-jsa-champs</p>									
<p>How to use these calculations: If a sailor's own finish position in any qualifying regatta with final results is equal to or less than the Final Qualifying Position after Adjustment, then the sailor may qualify for JSA Championships, assuming they meet all eligibility criteria in the Rules for JSA events and the regatta's Notice of Race.</p>									
<p>Optimist Regattas: Sailors may sail in any event, but will qualify for Optimist championship only in regattas located within their junior sailing program's designated geographic area (A, B or C) .</p>									
<p>ILCA 7 (Stand), ILCA 4 (4.7), Feva and Skiff Regattas: Sailors may qualify for those boat class JSA championships if they sail and finish in at least one of the qualifying regattas regardless of finish position.</p>									
<p>If no Representative from a Member Program qualifies for the JSA championship in a boat class, the Member Program may enter one representative who must have participated in at least one qualifying event for that specific championship. (JSA Rule 4.1.6)</p>									
<p>If No Races Are Completed at a qualifying event, sailors present who had qualified for the prior year's championship may qualify for the current year if they meet all the criteria in JSA Rule 4.1.5 that was updated on July 28 2022.</p>									
<p>Calculation notes:</p>									
a)	Total number of boats in division is adjusted to include only those that entered and registered, started in at least one race, and finished or were scored TLE in at least one race.								
b)	Adjusted number of boats is multiplied by qualifying percentage, then rounded to next whole number, to the competitor's advantage. If more than one boat ties for final qualifying position they all qualify.								
c)	Competitors who do not represent a JSA member club program (and if Optimists from the specified area [A, B or C]) are excluded to give the adjusted final qualifying position.
