Preliminary Data: Sailors should consider race results, and these qualifying calculations, as preliminary until a reasonable time has elapsed for the race committee to be notified of possible scoring errors.									
See full details about qualifying on the JSA website:						https://jsalis.org/qualifying-jsa-champs			
How to use these calculations: If a sailor's own finish position in any qualifying regatta with final results is equal to or less than the Final Qualifying Position after Adjustment, then the sailor may qualify for JSA Championships, assuming they meet all eligibility criteria in the Rules for JSA events and the regatta's Notice of Race.									
Calculation notes:									
a)		Total number of boats in division is adjusted to include only those that entered and registered, started in at least one race, and finished or were scored TLE in at least one race (after failing to finish within the time limit after the first boat in their class sails the course and finishes).							
b)		Adjusted number of boats is multiplied by qualifying percentage, then rounded to next whole number, to the competitor's advantage. If more than one boat ties for final qualifying position they all qualify.							
c)		Competitors who do not represent a JSA member club program (and if Optimists from the specified area [A, B or C]) are excluded to give the adjusted final qualifying position.							
Notes:									
c) 1		SIYC 7/8 calc excludes 5 non-JSA finishers in Blue, 1 in Red and 4 in White							
c) 2		LYC 7/16 calc excludes 2 non-JSA finishers in Feva and 1 in ILCA 6							
c) 3		LYC 7/17 calc excludes non-Area B finishers: 8 in Blue, 4 in Red and 6 in White							
c) 4		AYC 7/21 calc excludes non-Area B finishers: 1 in Blue, and 1 in White							
c) 5		STAM 7/21 calc excludes 1 non-Area C finisher in Blue							
c) 6		CPYC 7/25 calc excludes 1 non-JSA finisher in ILCA 6							
See example on next page of how to use these qualifying finish positions with the results published for each regatta.									
The example displays how 7 Opti sailors from JSA Area B qualify through the 14th position after 6 non-Area B and 1 non-JSA sailors are excluded.
